# ADMINISTRATION REPORT

FOR THE YEAR 1913—14.

## CHAPTER I.

### GENERAL AND POLITICAL.

1. **Boundary.**—Kushalgarh Chiefship is situated in the Southern limits of Rajputana under the Political Agent of Southern Rajputana States. It is bounded on the North by Banswara, Rutlam and Sailana States, on the East by Rutlam and Jhabua States, on the South by Jhabua and Indore States, and on the West by Panch Mahals in the Bombay Presidency.

2. **Area, Population & Revenue.**—Its area is 340 miles (square) approximately. Its total population according to the Census of 1911, is 22,005 souls. The annual gross revenue calculated on the average of 5 years is Rs. 67,890.

3. The present Chief of Kushalgarh is Raojee Sahib Udaisinghjee. He belongs to Ramsinghot clan of Rathor Rajputs caste of Jodhpur (Marwar) and is 11th in descent from the founder of the Chiefship, Akharajji, who conquered the territory in the Samvat 1711 from Kushla Bhil whom he killed and founded Kushalgarh after his name. He is 58 years of age, and has three sons. The eldest Kunwar Ranjeetsinghjee, the heir-apparent, is now 32 years old. He received his education at the Mayo College Ajmere and takes a great interest in administrative affairs. The two younger sons Kunwars Lachhman-singhjee and Chhatarsinghjee are studying in the Diploma Class at the Mayo College Ajmere. They intend to go to England after they passed their Diploma Examinations. Kunwar Ranjeetsinghjee has got one son and two daughters. His son now 8 years old is kept under the tutorage of Mrs. L. Sirpis of Bombay since 1st August 1914 and seems a very promising and intelligent lad. The family is connected by marriage tie to the following:—Ganora (Banswara), Pancher (Rutlam), Jhantla (Partapgarh), Bansi (Mewar), Kadana (Gujrat) and Dariawad (Mewar).

During the year Colnonel R. E. A. Benn, C. I. E., I. A. and Major H. A. K. Gough, I. A., the Political Agents Southern Rajputana States made tours in the territory of the Chiefship. The Chiefship is highly indebted to both these Political Officers for the kind and valuable advice they gave whenever sought.

The most notable features during the year were as follows:—

(1) That in the year 1913 one Nathugiri Baba entered into the territory and under the pretext of religious reforms exercised undue influence over the Bhils. The Chiefship fearing that his disguised mischiefs might prove the most detrimental to the smooth working of the peaceful administration and apprehending that the ignorant people might not create disturbance difficult to overcome, took immediate steps to watch his movements. The Baba thereupon with all his disciples, the mischievous mongers slipped away from the territory. A few months later when the Bhils of neighbouring States under the leadership of one Govind Giri Baba made a rising at Mangarh (Banswara) to violate the established authorities, the Chiefship made such an efficient arrangement to restrain the Bhils of this territory to join the disturbed scene that not a single soul of our Bhils could dare to leave his quiet home.

(2) That on the 1st February 1914 our most esteemed and popular Agent to the Governor General, the Hon'ble Sir Elliot Colvin, K.C.S.I., accompanied with lady Colvin, and his First Assistant Major R. E. A. Hamilton, I. A., visited Kushalgarh and laid the foundation stone of the Colvin School Kushalgarh.

(3) That in the April 1914 on the request of the Raojee Sahib to the Hon'ble the Agent to the Governor General, Rai Bahadur Rawat Ganesh Ram, the Dewan of Dungarpur was deputed to enquire into the agricultural prospects and condition of the people and to propose the Survey and Settlement operations of the Chiefship. The Chiefship is highly grateful to His Highness the Maharawal Sahib of Dungarpur for his kindly allowing his Dewan to carry on the work.

(4) The most lamentable incident, that happened in the month of July 1914, was the premature death of Senior Kunwarani Sahiba of Kadana. All the Chiefship Offices and Bazars were closed in mourning for three days.

(5) That in the month of July 1914 Raojee Sahib, accompanied with Kunwar Ranjeetsinghjee, Dewan Sahib of Dungarpur and his Kamdar, went to Abu to discuss the whole subject of proposed Settlement with the Hon'ble Agent to the Governor General Sir Elliot Colvin, K. C. S. I., whose genuine sympathy with the Rajputana Princes is inscribed upon the tablets of their hearts. All the proposals made by the Dewan Sahib of Dungarpur were approved.

(6) The birthday celebration of His Most Gracious Majesty, George V, the *King and Emperor of India* was held with great rejoicing on the 3rd of June 1914. A royal salute of 101 guns was fired. A Darbar was held and three prisoners were released.

### REVENUE AND FINANCE.

For revenue purposes the Chiefship is divided into three Tehsils:—

- I. Tehsil Mayaid or Sadar Tehsil.
- II. Tehsil Dungra comprising Parganas of Dungra and Himmatgarh.
- III. Tehsil Patan comprising Parganas of Patan and Ranga.

According to the last Census there are 338 villages and one town out of which 286 are inhabited villages while the rest 53 are uninhabited ones.

The rental of the land was fixed by a settlement, made from the tenants from year to year. The demand consisted either of lump cash rents or rents in kind purported to be based on actual cultivation. These villages were not surveyed and the area of each holding was quite unknown. The dis-advantages and vice of such a system in practice were obvious and to remedy these evils it was thought necessary that the land revenue settlement, which as the essential basis of all good administration may be initiated. Rai-Bahadur Rawat Ganeshi Ram Dewan of Dungarpur was deputed to inspect the villages, to enquire into the agricultural prospects and condition of the people, to propose the Survey and Settlement operations and to report whether the

The Dewan Sahib made a rough settlement of 159 Bhil villages and an actual survey and settlement of one non-Bhil village and prepared a report on the result of his deputation, in which he has laid out the general lines on which the arrangements may be conducted so that the condition of the agriculture may be improved. The report was put up before Sir Elliot Colvin, K.C.S.I., the Hon'ble Agent to the Governor General in Rajputana for approval. The services of one Mr. Kushhardin were obtained for a period of one year only from Tonk and Sirohi settlement to carry on the work begun by the Dewan Sahib, to instruct Patwaries, to introduce proper village papers and fairly regular Revneue Record and to watch the progress of the work carried away with Taccavi advances. The total land revenue demands and collection for the year as compared with the previous year are as follows:—
